

RANKS AMONG THE BEST

TGV ranks among the best IT consulting firms in Argentina, in the opinion of Chief Technology Officers and IT Directors in Argentina, based on their responses to the 2013 IT Survey published in the magazine Information Technology. For the past ten years, the magazine has published the results of its annual survey evaluating the main IT services providers in Argentina, based on responses from the leading systems managers in the country.

TGV was voted one of the top three IT consulting firms in Argentina for its pricing policies, coming in third place after industry giants Microsoft and IBM.

TGV IS ALSO RECOGNIZED AS ONE OF THE TOP 10 IT CONSULTING FIRMS IN ARGENTINA BASED ON THE QUALITY OF ITS SUPPORT SERVICES

THE CRITERIA

These criteria - price and support - are two of the three main factors CTOs take into account when choosing their technological partners. This public recognition of our efforts and dedication to offer an excellent product at a fair price fills us with great pride.
